## **BON4 CARE INSTRUCTIONS**

To care for your BON4 silicone chastity device you need to keep in mind a few simple steps.

1. Avoid exposing it to sunlight (UVA and UVB).
2. Do not use perfume, aftershave or any other fragrance with the BON4.
3. When not in use always store your BON4 correctly.
4. Only use water based lubricants.

## **STORAGE**

Be sure to store your BON4 in a dark cool place, keep it SEPARATE from other devices and silicone toys.

Store BON4 horizontal to maintain the shape. Do not store BON4 in a plastic bag, it will make the silicone sticky.

## **CLEANING**

It is the best to wash your BON4 once a day with a mild soapy solution, warm water and dry it completely.

BON4 can also be sterilized in boiling water (no more than three minutes).

## **USING LUBRICANT**

We advice using a lubricant while putting on the BON4.

Use only a water-based lube for your premium silicone BON4!

**Caution: Avoid breaking the surface of the BON4.**

**Never use lubricant that contains silicone.**
